WHO ARE WE?

We are four different agencies working together to offer a case management service for people who find it difficult to get what they need from services. We are: Ana Liffey Drug Project, Health Service Executive, An Garda Síochána and Dublin City Council.

WHAT CAN WE DO FOR YOU?

We'll work with you on your goals - we can work with you on housing, health, social, legal or other issues. We'll help you with whatever is important to you.

We'll come to you - we'll meet you on outreach in the street, in a café, a house or wherever suits you.

We'll do the practical things with you and support you along the way. We'll remind you of appointments and we'll go there with you if you want.

We'll be flexible. We realise that people may have busy and chaotic lifestyles.

We'll respect your rights. We will check with you regularly to see if you are still happy with the service you are getting from our team. We'll explain how to complain if you are not happy.

HOW CAN YOU FIND US?

Just call Freephone 1800 78 68 28 and ask for the Assertive Case Management Team. We'll arrange to meet you. When we meet we'll do a quick assessment with you and ask you about your goals to see how we can help you.
