# Who are we?

The **Ana Liffey Drug Project** have a specialist team that offer a case management service to people who are finding it hard to cope with their drug use and their lifestyle.

We have three staff who are dedicated to working with people in the **North East Inner City**.

# How can you Find us?

Just Freephone **1800 786 828** and ask for **Martina**.

We'll arrange to meet you.

When we meet you we'll do a quick assessment with you and ask about your needs and goals to see how we can help you.

# What can we do for you?

We'll work with you on your goals – we can work with you on addiction, legal, social, health and other issues.

We'll come to you – we'll meet you on outreach, in a café, a house or wherever suits you.

We'll do practical things with you and support you along the way. We'll remind you of appointments that you may have and will go there with you if you want.

We are flexible. We realise that people may have busy and chaotic lifestyles, we'll work with your timetable.

We'll link you to other services that will be helpful to you if you wish, and we'll help you to get there and settle in.

We'll respect your rights. We will check with you regularly to see if you are still happy with the service you are getting from the team. We will explain how to complain if you are not happy.
