

# DO YOU USE STREET TABLETS?

'Street tablets' are any tablets or capsules which you do not get directly from your doctor or pharmacist. It is always safest not to take drugs. If you decide to use street tablets remember:

For more information find the Street Tablets factsheet at [www.aldp.ie/streettablets](http://www.aldp.ie/streettablets). Find a local drug service at [www.nicdtf.ie](http://www.nicdtf.ie). For information and support from Ana Liffey Drug Project call Freephone 1800786828.
