DIRECTORS' REPORT
FOR THE YEAR ENDED 31ST DECEMBER 2014

The Directors present their annual report together with the audited financial statements of the company for the year ended 31st December 2014.

Principal Activities

The company is a registered charitable organisation assisting those in the community needing assistance for drug dependency or are at risk in their efforts to overcome their drug problems.

Results

The excess operating income over Expenditure Income for the year (€2,048) was credited to the company's general fund. In addition there was a further release to the general fund of a capital grant credit but against this the company property was re-valued and as a consequence an exceptional expense for a permanent diminution in value was charged..

Principal Risks and Uncertainties

The company is exposed to the prevailing economic conditions in Ireland and the principal risk affecting the company is liquidity risk pertaining to the potential that state and other grants could be reduced. The board are cognisant of reducing costs in line with income reductions so that risk is to the greatest extent possible mitigated.

Business Review and Future Development

The directors are satisfied with results achieved for the year ended 31/12/2014. The directors will continue to oversee fundraising activity to secure and expand on company objectives.

Directors and their Interest in Shares of the Company

This is a company limited by guarantee, with charitable status and not having a share capital; none of the directors have any beneficial interest in the company.

Management Council and Board of Directors

In accordance with the Articles of Association, Directors retiring by rotation and being eligible can offer themselves for re-election.

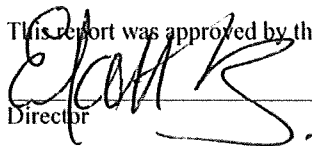

Post Balance Sheet Events Books of Account

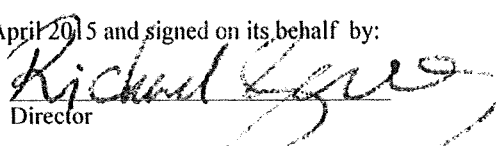

The measures taken by Directors to secure compliance with the Company's obligations, under section 20 of the companies act 1990, to keep proper books of account are the use of appropriate systems and procedures and employment of competent persons. The books of account are kept at 48 Middle Abbey Street, Dublin, 1.

Auditors

The Auditors, Mahon & Co., Chartered Accountants & Registered Auditors, have expressed their willingness to continue in office in accordance with section 160 (2) of the Companies Act, 1963.
